

WINTER WEATHER WONDERING

There's a sledge in my shed that's been in there for years,
I really want to give it a go.
It's all shiny and new 'cos it's never been used;
The only thing we're missing is snow.

There are gloves in a tub, they've been in there for years,
I really want to give them a go.
They are perfect for snowballs and cosy and warm;
The only thing we're missing is snow.

And now I've started winter weather wondering..

Wouldn't it be nice to have a bit of snow this year!
Wouldn't it be nice to have a bit of snow this year!
I don't like to complain but we hardly ever get it here.
I don't like to complain but we hardly ever get it here.
And hail doesn't count no matter what the amount.
(harmony) **And sleet just makes things worse!**
(harmony) **So come on Mister Winter,**
(harmony) **Won't you bring us some snow?**

There's a thought in my head that's been in there for years,
I really want to give it a go.
It's a plan for a snowman that's never been seen;
The only thing we're missing is snow.

There are boots and a snow-suit, I've had them for years,
I really want to give them a go.
They are perfect for snow-angels while keeping warm;
the only thing we're missing is snow.

And now I've started winter weather wondering..

Wouldn't it be nice to have a bit of snow this year!
Wouldn't it be nice to have a bit of snow this year!
I don't like to complain but we hardly ever get it here.
I don't like to complain but we hardly ever get it here.
And hail doesn't count no matter what the amount.
(harmony) **And sleet just makes things worse!**
(harmony) **So come on Mister Winter,**
(harmony) **Won't you bring us some snow?**
(harmony) **Won't you bring us some snow?**
Please bring us some snow!
